Freedom Summits
5 February 2015 ·

22 Create A Foundation partners fully trained and heading out to spread the TRUTH about NGO and NFPs !.....The next intake of 20 is nearly half full....if your interested make sure that you deal ONLY with Cherie for CAF. _-Dont be fooled by the wanna bees-
The usual dodgy and illegal dealings that go on by Kelly Kingston and Graham Donnelly (BANKRUPT ACCOUNTANT) continue, so please be advised that THEIR page and website is a total rip off of ours (they even used our CAF name to deceive people to get their money!) and it is designed to fleece people of money destined for the REAL CAF and Free To Shine...so dont be fooled....many many people are now in our group who have combined to bring them to account for their dodgy practices.
If you arent speaking to Cherie or Mark or AB, then you too are about to be ripped off by them ...so please CALL US AND CHECK FIRST !

Hi Annabelle Weir, it is preferred that you have a Foundation already, but not absolutely necessary. There is an Expression Of Interest form available on the www.createafoundation.org website

Freedom Summits

Many of you that have been following this page and/or have attended a Freedom Summit in the past will know of the amazing and tireless work of Ian R Crane.
Ian came out and spoke at one of our Summits in Australia years ago. He has done his very best to wake people up about Fracking (and many other areas).
He is crook at the moment and so if you have the capacity to assist, I'm sure it would be greatly appreciated.

We've been talking about this moment in time for well over a decade now.
Many of you have probably tried to introduce your friends to what's really going on with the 'system'.
Many of you have probably been labelled 'Tin foil hat wearers'.
Well....Here it is....and we just hope you're all as prepared as you can be.
History always favours the well prepared.... See more

Nicky Mih is the co-founder of Free To Shine....an amazing organisation that goes into Cambodia and facilitates the enrolment of children (mostly girls) into school, thus dramatically reducing their risk of being trafficked into the dreadful sex slave industry.

Nicky Mih has worked tirelessly to achieve wonderful things in this much needed area, and I can't wait to read this book.

If you want to find inspiration in yourself, it often helps to read the trials and tribulati... **See more**
